MEMBER – Manage Installments

We now have a new module that allow you to manage the installments. Open the side panel and click on the edit button. A new window will appear to let you manage the installment. For each of the future installment you can select the date, the payment method and/or change the amount. The system will always validate the total amount before saving the changes.

Member – Suspension

Suspension module is now live.

Historical data will be moved over.

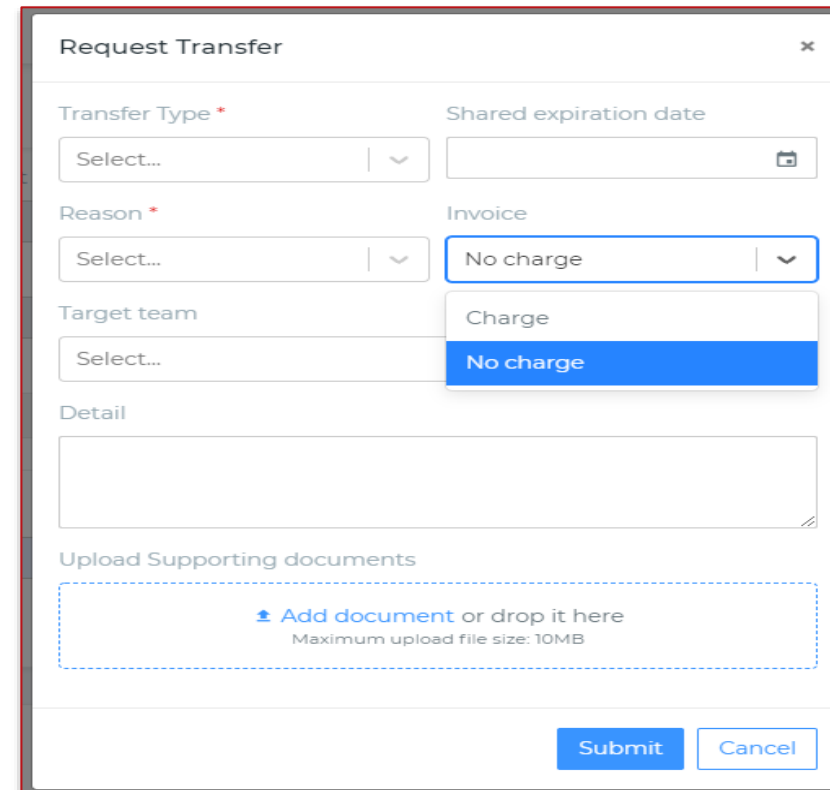

We have added to the module a drop-down selection when the suspension is linked to Discrimination. It is mandatory to pick one of the choices.

The screenshot shows a web form titled "Add suspension" with a close button (X) in the top right corner. The form has two radio buttons at the top: "Existing Infraction" (selected) and "Other Infraction". Below this is a dropdown menu for "Infraction" with the value "GRM21: 11.4-Discrimination". A red arrow points to a second dropdown menu labeled "Discriminatory ground" which currently shows "Select...". Below this are two columns of fields: "Penalty Type" (dropdown, "Select...") and "Suspension Type" (dropdown, "Definite"); "Number of games" (text input) and "End Date" (calendar icon); "Incident Date" (calendar icon) and "Received Date" (calendar icon); and "Incident Location" (text input). At the bottom right are "Next" and "Cancel" buttons.

TASKS – Transfer – Charge / No Charge

When requesting a transfer now you can indicate if there will be charge or no charge for that transfer.

The screenshot shows a 'Request Transfer' form with the following fields and options:

- Transfer Type ***: Select... (dropdown)
- Shared expiration date**: [Empty field with calendar icon]
- Reason ***: Select... (dropdown)
- Invoice**: No charge (dropdown menu is open, showing 'Charge' and 'No charge' options, with 'No charge' selected)
- Target team**: Select... (dropdown)
- Detail**: [Empty text area]
- Upload Supporting documents**: [Add document or drop it here button, Maximum upload file size: 10MB]
- Submit** and **Cancel** buttons at the bottom right.

CLINICS – Multiple Blocks of Prerequisite

You can now set up multiple blocks of prerequisite for a clinic. You can combine different blocks together and, in each block, tell the system if they are all mandatory or at least one mandatory.

Prerequisites

Your organization's prerequisites

Group #1 6 prerequisites - At least one mandatory ▾

- Official - *Official - Re-cert - 6
- Official - *Official - Re-cert - 2
- Official - *Official - Re-cert - 3
- Official - *Official - Re-cert - 5
- Official - *Official - Re-cert - 4
- Official - *Official - Re-cert - 1

Group #2 3 prerequisites - All mandatory ▾

- General - *Respect In Sport - Activity Leader
- General - *Respect In Sport - Parent
- General - *Respect In Sport - LacingUp

IMPROVEMENTS

Teams: The primary address of the player will now be displayed in the side panel when reviewing a player on a roster.

My Account: Paysafe - We have improved the management of the credit card in My Account. A user can now have access to delete a card from the Vault. The process for adding a card to the vault has been upgraded. Error messages are also improved to be clearer for the user.

My Account: Sportspay - We have improved the process to attach a new card. The system will now try to process the payment right away when a new card is attached instead of processing that overnight. When a parent updates a card, it will only be saved if a payment is made.

Reports: CSV option is once again available.

DROP-IN TRAINING – MHA Registrar

Spordle will be hosting a drop-in training session for MHA registrars.

- When: Thursday, Oct 14, 2021
- Time: 7:00-8:30pm
- Topic: Rosters
- Location: Zoom
